1. The Accelerated Death Benefit due to Terminal Illness Rider pays between 50%-100% (depending on plan design) of an insured's Life Insurance proceeds (with the balance payable upon final claim) in most states if the insured becomes terminally ill. Conditions and restrictions may apply. Any outstanding loans will reduce the cash value and death benefit. The ABO benefits are intended to qualify for favorable federal tax treatment, in which case the benefits will not be subject to federal taxation. This information was written as a supplement to the marketing of life insurance products. Tax laws relating to accelerated benefits are complex and limitations may apply. You are advised to consult with and rely on an independent tax advisor about your own particular circumstances. Receipt of ABO benefits may affect your eligibility, or that of your spouse or your family, for public assistance programs such as medical assistance (Medicaid), Temporary Assistance to Needy Families (TANF), Supplementary Social Security Income (SSI) and drug assistance programs. You are advised to consult with social service agencies concerning the effect that receipt of ABO benefits will have on public assistance eligibility for you, your spouse or your family.
2. Subject to state law, and/or group policyholder direction, the Total Control Account is provided for all Life and AD[&D] benefits of \$5,000 or more. The assets backing the Total Control Account (TCA) are maintained in the general account of MetLife or the Issuing Insurance Company. These general accounts are subject to the creditors of MetLife or the respective Issuing Insurance Company. MetLife or the Issuing Insurance Company bears the investment experience of such assets and expects to earn income sufficient to pay interest to TCA Accountholders and to make a profit on the operation of the TCAs. Regardless of the investment experience of such assets, the effective annual rate on the Account will not be less than the rate guaranteed on the welcome guide. The TCA and other available settlement options are not bank products and are not insured by the FDIC or any other governmental agency. In addition, while the funds in your account are not insured by the FDIC, they are guaranteed by each state's insurance guarantee association. The coverage limits vary by state. Please contact the National Organization of Life and Health Insurance Guaranty Associations (www.NOLHGA.com or 703-481-5206) to learn more. FOR FURTHER INFORMATION, PLEASE CONTACT YOUR STATE DEPARTMENT OF INSURANCE.

Coverage may not be available in all states. Please contact USI Affinity at 1-855-874-0264 for more information.
