

Frequently Asked Questions

A few minutes of your time right now could mean the world to your loved ones later. Renewable term life insurance can be a cost effective way to provide life insurance benefits at a competitive cost.

Q. Who is eligible for coverage?

A. Alumni are eligible to apply for coverage if you are under the age of 60.

Q. What are the coverage amounts available?

A. Alumni can choose any amount in \$5,000 increments, up to \$500,000.¹ If also electing coverage under the AlumniTerm 10/20/30 year plan (30-year is limited in some states) and/or the AlumniTerm 50+ plan, a combined maximum benefit amount of \$3,000,000 (this maximum is limited to \$1,500,000 in some states) between all Life plans will apply.

Q. Is a medical exam required?

A. You must complete a standard application. In some cases a medical exam may be required (at no expense to you). When you apply, simply answer the health questions. Even if you have a health condition, you may still qualify. Depending on the amount applied for, a paramedical exam and blood test may be required, which will be scheduled at your convenience and at no cost to you.

Q. How long can my coverage continue?

A. Your coverage can continue as long as you pay your premium when due, insurance continues for your class, you remain in an eligible class, have not reached age 80, the group policy remains in force and, if applicable, the participating association continues to participate in the Trust.¹ Please see the certificate of insurance for details.

Q. Will this plan pay in addition to other coverage?

A. Yes. This plan pays in addition to any other insurance coverage you have. The plan also stays with you until your coverage ends.

Q. Would I have the ability to continue coverage, should my plan end?

A. Yes, in many instances. If your insurance ends for a reason other than non-payment of your premium or your age or is reduced, you may be able to convert your coverage to an individual policy of life insurance ("new policy") from Metropolitan Life Insurance Company during the application period without providing evidence of insurability. Amount of coverage depends on reason insurance ends. Please see the certificate of insurance for details.

Q. What special features would be included in my plan?²

A. The following features are included in your plan:

Accelerated Benefits Option³: You can receive up to 80% of your life insurance proceeds to a maximum of \$400,000 in the event that you become terminally ill and are diagnosed with no more than a specified amount of time⁴ to live. This can go a long way toward helping your family meet medical and other related expenses at this difficult time.

Automatic Benefit Increases: This feature allows you to increase your initial benefit amount by 10% each year, for up to 10 years or when the total face amount reaches \$150,000. If you accept the increases, your premium will be adjusted accordingly. Your total benefit cannot exceed the plan maximum and the increases will stop when you reach age 60. You must be able to perform normal activities at the time of the offer. Also, you may stop this feature at any time, but once you decline an annual increase you cannot reinstate this benefit later.

If you recover and no longer meet the definition of disability, premium must again be paid when due.

Why is life insurance important?

It can be a cost-effective way to help protect your family and finances in the event something happens to you. For many people, it helps ensure that if something unforeseen should happen, short- and long-term financial obligations could be met. It's important to take steps to make sure your family would be financially prepared if you were no longer there to handle expenses like:

- Mortgage or rent payments
- Utilities
- Insurance premiums
- Child care/education fees
- Transportation
- Credit card bills

It's important to review your life insurance needs periodically to help ensure your family is protected.

Q. What is the one-step express term life insurance offer?

A. Members, depending on their age(s), may apply for coverage, using our short-form application. This form includes only a few medical questions and asks for your height and weight. If we find no further medical information is needed upon review of your application, then you're done! It's as easy as that.¹

Q. I already have life insurance through my employer. Why get more?

A. While having some life insurance provided by your employer is a great benefit, it may not be enough to adequately provide for your family. Additional life insurance can give your family greater financial security.

Q. How much life insurance do I need?

A. It may be more than you have now. You should keep in mind that insurance needs change as your life changes — for example, getting married, starting a family or purchasing a home. Many people are surprised to learn that they may not have enough life insurance to cover the many expenses their loved ones may face.
